Subject CAS No. 99-71-8

Dear Mr. Taylor,

Schenectady International made a commitment on April 8, 2004 to sponsor an additional alkylphenol CAS RN: 99-71-8 (phenol,4-(1-methylpropyl)-. We are in the process of putting the robust summary/test plan for this chemical and updating the alkylphenol category. However, due to changes in the company and since I joined Schenectady International just a couple of months ago, we request you to kindly allow us to make the submission in Feb 2006.

Thank you.
